REID'S HERITAGE HOMES - APPOINTMENT OF OWEN WHELAN AS VICE PRESIDENT OF CONSTRUCTION

Reid's Heritage Homes is pleased to announce that Owen Whelan will be joining the team in the role of Vice President of Construction, effective October 4, 2021.

Owen will oversee all aspects of construction activities at Reid's Heritage Homes and will drive performance from pre-construction, planning and strategic development through to delivery and completion while managing the construction teams and sites across South Western Ontario.

With over thirty years of experience leading and managing key functional areas of construction including business development, project management, estimating, contracts and financial planning, Owen will apply his expertise and dedication to deliver exceptional homes and further the initiatives of the organization.

Owen possesses a thorough understanding of all areas of construction and, with his in-depth knowledge of the industry, will reinforce the reputation of Reid's Heritage Homes as a leading new home builder.

“ Owen is an industry professional with an immense knowledge of the construction landscape. Owen is poised to make an immediate impact on our business and we are thrilled to have him join our team. ”

Said Ron McMillan, Senior Vice-President of Residential at Reid's Heritage Homes.
